

Dear Customer,

In an effort to have your BadgerNet technical questions answered as quickly as possible, AT&T has set up a distribution list for your convenience. Moving forward, please email all questions to SToW_Engineers@list.att.com and cc teach@wisconsin.gov. If you do not hear from an engineer within 48 business hours, please reach out to TEACH directly and we will contact AT&T and follow up for you.

As always, thank you for cooperation and please feel free to contact us with any questions or issues at teach@wisconsin.gov or visit the [BadgerNet portal](#) for more information.

Sincerely,

BadgerNet Team
