

TEACH Educational Technology Teacher Training Grants 2015-2016

Wisconsin Statute 16.996 Educational technology teacher training grants.

- (1) PURPOSE. The department shall annually award grants to eligible consortia of school districts for the costs of training teachers to use educational technology.
- (2) ELIGIBLE CONSORTIA. A consortium of school districts is eligible for a grant under this section if all of the following apply:
- The consortium consists of 3 or more school districts.
 - Each school district's membership in the previous school year divided by that school district's area in square miles is 13 or less.
 - The consortium applies for a grant under this section.
- (3) GRANT AMOUNT. In any year the department awards grants under this section, subject to sub. (4), the department shall pay to each eligible consortium the sum of the following amounts:
- For each school district in the consortium that had a membership of less than 750 pupils in the previous year, \$7,500.
 - For each school district in the consortium that had a membership of 750 pupils to 1,500 pupils in the previous year, \$10 multiplied by the school district's membership in the previous year.
 - For each school district in the consortium that had a membership of more than 1,500 pupils in the previous year, \$15,000.
- (4) FUNDING.
- The department may not award grants under this section that total more than \$1,500,000 in any fiscal year.
 - If, in any fiscal year, \$1,500,000 is insufficient to pay the full amount under sub. (3), the department shall prorate the payments among the eligible consortia.

Per statute, the district eligibility calculation formula is: district student count divided by district square miles.

Per statute, eligible districts are those with 13 students per square mile or less
