TEACH Educational Technology Training Grant (Eligible School Districts) 2018-2019

Wisconsin Statue 16.996 Educational Technology training grants.

- (1) Purpose. The department shall annually award grants to eligible consortia of school districts, to consortia of eligible public libraries, and to eligible public library systems for the costs of training teachers and librarians to use educational technology
- (2) ELIGIBLE CONSORTIA. A consortium of school districts is eligible for a grant under this section if all of the following apply:
- (a) The consortium consists of 3 or more school districts.
- (b) Each school district's membership in the previous school year divided by that school district's area in square miles is 13 or less.
- (c) The consortium applies for a grant under this section.
- (3) Grant amount. In any year the department awards grants under this section, subject to sub. (4), the department shall pay to each eligible consortium the sum of the following amounts:
- (a) For each school district in the consortium that had a membership of less than 750 pupils in the previous year, \$7,500.
- (b) For each school district in the consortium that had a membership of 750 pupils to 1,500 pupils in the previous year, \$10 multiplied by the school district's membership in the previous year.
- (c) For each school district in the consortium that had a membership of more than 1,500 pupils in the previous year, \$15,000.
- (4) FUNDING.
- (a) The department may not award grants under this section that total more than \$1,500,000 in any fiscal year.
- (b) If, in any fiscal year, \$1,500,000 is insufficient to pay the full amount under sub. (3), the department shall prorate the payments among the eligible consortia

Per statute, eligible districts are those with 13 students per square mile or less Eligible Districts (13 students per square mile or fewer)
