Listening Session Takeaways

These important topics were addressed during the FY19 Educational Technology Training Grant Listening Session.

LIBRARIES

1. **Can Cooperative Educational Service Agencies (CESA) serve as fiscal agents for eligible libraries?**
   - At this time CESAs may ***not*** represent libraries as their fiscal agent.

2. **Who is considered a librarian with the TEACH grant?**
   - Individuals ***employed by a library as a librarian*** will be considered a librarian and eligible to receive funds for training with the TEACH Educational Technology Training Grant. *(Note: This definition does not apply to school district librarians. See refence for school librarians below under schools.)*

SCHOOLS

3. **Are school district librarians eligible to attend TEACH training events?**
   - The TEACH Educational Technology Training Grant is for ***teachers*** to receive technology training. School district librarians who possess a teaching license, have a school district position that requires a teaching license and are required to teach for their employment are eligible for grant funding to attend TEACH training events.

LIBRARIES & SCHOOL DISTRICTS

4. **Can school district or library staff assist facilitators?**
   - School district and library staff may only volunteer to assist non-consortium facilitators. Facilitators and helpers of facilitators may ***not*** be employed by a school district or library. Training events where school district or library staff are compensated are ***not*** eligible for reimbursement with TEACH Educational Technology grant funds.
